## HISTORICAL SKETCH

The history of the present University of Maryland practically combines the history of two institutions. It begins with the chartering of the College of Medicine of Maryland in Baltimore in 1807, which graduated its first class in 1810. In 1812 the institution was empowered to annex other departments and was by the same act "constituted an University by the name and under the title of the University of Maryland."

For more than a century the University of Maryland stood almost as organized in 1812, until an act of the Legislature in 1920 merged it with the Maryland State College and changed the name of the Maryland State College to the University of Maryland.

The Maryland State College first was chartered in 1856 under the name of the Maryland Agricultural College, the second agricultural college in the Western Hemisphere. In 1862 Congress passed the Land Grant Act and the Maryland State College was named as the beneficiary of the grant in Maryland. Thus the College became, at least in part, a State institution. In the fall of 1914 its control was taken over entirely by the State. In 1916 the General Assembly granted a new charter to the College and made it the Maryland State College.

## RETIRING PRESIDENT'S GREETING

June 7, 1926.

To the Students of the University of Maryland:

In this final greeting to the students of the University, I wish to commend to you my successor, Dr. Pearson, who is my dear friend and co-laborer and who will be your friend and helper. I know you will work with him as you have worked with me for the welfare of the student body and of the people of our State and nation.

"Let us be faithful in well doing, for in due season we shall reap if we faint not."

Character, as exemplified in the life and teachings of Jesus is the foundation on which we must build. The spirit of unselfish service and sacrifice must be built into the whole structure of our lives. If it is, our lives cannot help but be successful and our University will stand out as one of the greatest influences for good.

With best wishes, I am

Sincerely yours,

A. F. WOODS,  
Retiring President.

DR. FREDERIC E. LEE,  
Chairman. Board of Managers.

### Rooming and Boarding House Directory

In order to assist out-of-city students in securing suitable rooms and boarding places, the Association prepares each fall a list of available places and helps direct students to the type of place they desire. All students who do not have rooms should report to the "Y" Office as soon as they register.

### The Handbook

The Handbook is published and distributed without cost to each student. Its purpose is to make a ready reference book for all students, but especially to aid the new student in adjusting himself to university life.

### Church Co-operation

The Association accepts its position as a representative of the Churches among the students. It does not concern itself with

the student's choice of a Church, but it is concerned to help him maintain intimate contacts with the Church he chooses.

### **Fellowship Dinners**

In order to cultivate Christian Fellowship and co-operation among the students of the University, the Y. M. C. A. will hold a series of six fellowship dinners, during the year, to which all students will be welcomed. They will be held at stated intervals at the Y. W. C. A. Notable speakers and good music will be used in making these affairs well worth while.

### **Conferences and Conventions**

Every year numerous conferences and conventions are held by the Council of Christian Associations of Maryland, Delaware, and the District of Columbia. Three major conferences for this year have already been planned. In October, a conference on Christian Fundamentals will be held at Sherwood Forest led by Dr. Tweedy of Yale. The February Conference will be held at Hood College, Frederick, Md. The Spring Training Conference will be held at Sherwood Forest, during the latter part of April. The Association aims to have the University well represented at all of these gatherings.

### **Cosmopolitan Club**

Last year 125 students from 34 different nations studied in Baltimore. The Association tries in many ways to help these students to get the best out of their life here, but its major work is through the Students Cosmopolitan Club of Baltimore, which, although an independent student organization, is fostered by the Y. M. C. A. It meets bi-monthly and all foreign students are especially invited to attend.

### **Reading Room**

The Y. M. C. A. reading room, in the Medical building, is at the disposal of all the students. Among the current periodicals are: Harpers, Atlantic Monthly, Saturday Evening Post, Life, Judge, National Geographic, Review of Reviews, World Tomorrow, etc.

### **Student Volunteers**

The Association has a major interest in the world-wide work of the Church. It is, therefore, interested in and fosters the work of the students in the University who are preparing for foreign service. During the past year, there were five student volunteers studying for the Medical Missionary Field.

### **Athletics**

During the past year the "Y," at the request of the members of the student body, sponsored a series of basketball games which aroused a feeling of school spirit that is much needed in the professional department of the University. This year a full schedule of basketball games will be maintained between the various schools. All interested students should report to the "Y" Office.

### **Central Y. M. C. A. Memberships**

The Central Branch of the Y. M. C. A. with its fine equipment, including Gymnasium, Swimming Pool, Reading Rooms, etc., offers its privileges to University students at a special rate for the school year.

## PROCEDURE FOR REGISTRATION

A new registration is conducted each year.

All students in medicine, dentistry, pharmacy, must register in the office of the registrar (law school building) during the period from Monday, September 27, to Monday, October 4.

The period of registration for the students in law begins Tuesday, September 7, and concludes Monday, September 27.

There is a late registration fee of \$5.00 which all students are subjected to who do not register in the time set aside for that purpose.

Each new student will present at the office of the Registrar the matriculation receipt which has been issued by the Dean of the School in which he will register. After the registration card has been filled out complete, the card is presented at the office of the Registrar for approval. When the registration card has been vised, the student will take the card to the office of the Comptroller and pay the required fees. The office of the Comptroller adjoins the office of the Registrar.

W. M. HILLEGEIST,  
Registrar.

The School of Medicine of the University of Maryland is one of the oldest foundations for medical education in America, ranking fifth in point of age among the medical colleges of U. S. In the school building at Lombard and Greene streets in Baltimore was founded one of the first medical libraries and the first medical college library in America.

Here for the first time in America, dissecting was made a compulsory part of the curriculum; here instruction in Dentistry was first given (1837), and here was first installed independent chairs for the teaching of diseases of women and children (1867), and of eye and ear diseases (1873).

This School of Medicine was one of the first to provide for adequate clinical instruction by the erection in 1823 of its own hospital, and in this hospital intra-mural residency for senior students was first established.

## THE SCHOOL OF PHARMACY

Andrew G. DuMez, Dean of the Faculty

B. Olive Cole, Secretary of the Faculty

John C. Krantz, Jr., Professor of Pharmacy

J. Carlton Wolf, Professor of Dispensing

Chas. C. Plitt, Professor of Botany and  
Materia Medica

H. E. Wich, Associate Professor of  
Chemistry

The School of Pharmacy was organized in 1841, largely at the instance of members of the Faculty of Medicine, and for a time the lectures were delivered at the Medical School. Later it became separated and continued an independent organization as the Maryland College of Pharmacy, until finally it became a part of the University in 1904. With but one short intermission previous to 1865 it has continuously exercised its functions as a teaching school of pharmacy.

This school holds membership in the American Association of Colleges of Pharmacy. The object of the Association is to promote the interests of pharmaceutical education and all institutions holding membership must maintain certain minimum requirements for entrance and graduation.

Upon completion of the first three years of the course the diploma of Graduate (Ph.G.) is awarded which admits the holder to the board examinations in the various states for registration as a pharmacist.

The degree of Bachelor of Science in Pharmacy (B.S. in Pharmacy) will be given upon the completion of the work prescribed for the entire course of four years.

Its diploma is recognized in all states.

## BALTIMORE COLLEGE OF DENTAL SURGERY

J. Ben Robinson, F.A.C.D., Dean

The Baltimore College of Dental Surgery was chartered by the Maryland Legislature February 1, 1840. It was the first institution ever organized to offer instruction in the art and science of dentistry. It has continued with an unbroken record and remains the oldest dental school in the world.

The first lectures offered on the special subject of dentistry in a medical school in America were delivered by Horace H. Hayden, M.D., at the University of Maryland in the year 1837. It was Dr. Hayden's idea that dentistry merited greater attention than had been given it by medical instruction, and undertook to develop this specialty as a branch of medicine. With this thought in mind, he, with the support of Dr. Chapin A. Harris, appealed to the Faculty of Physic of the University of Maryland for the creation of a department of dentistry as a part of the medical curriculum. The request having been refused, an independent college was decided upon. A charter was applied for and granted by the Maryland Legislature, February 1, 1840. The first Faculty meeting was held February 3, 1840, at which time Dr. H. H. Hayden was elected president and Dr. C. A. Harris dean. The introductory lecture was delivered by Dr. Harris on November 3, 1840, to the five students matriculated in the first class. Thus was the Baltimore College of Dental Surgery, the first and oldest dental school in the world, created as the foundation of the present dental profession.

In 1873 the Maryland Dental College, an offspring of the Baltimore College of Dental Surgery, was organized and continued instruction in dental subjects until 1879, when it was consolidated with the Baltimore College of Dental Surgery. A department of dentistry was organized at the University of Maryland in the year 1882, graduating its first class in 1883 and each subsequent year to 1923. This school was chartered as a corporation and continued as a privately owned and directed institution until 1920, when it became a State institution. The Dental Department of the Baltimore Medical College was established in 1895, continuing until 1913, when it merged with the Dental Department of the University of Maryland.

The final combining of the dental educational interests of Baltimore was effected June 15, 1923, by the amalgamation of the student bodies of the Baltimore College of Dental Surgery and the University of Maryland School of Dentistry, the Baltimore College of Dental Surgery becoming a distinct department of the State University under State supervision and control. Thus we find in the Baltimore College of Dental Surgery, Dental School, University of Maryland, a merging of the various efforts at dental education in Maryland. From these component elements have radiated developments of the art and science of dentistry until the potential strength of its Alumni is second to none either in numbers or degree of service to the profession.

## SCHOOL OF LAW

### The Faculty Council

Hon. Henry D. Harlan, A.M., LL.B., LL.D.,  
Dean

Robert Hill Freeman, M.A., LL.B.,  
Assistant to the Dean

While the first faculty of law of the University of Maryland was chosen in 1813, no regular school of instruction was opened until 1823. This was suspended in 1836, and in 1870 regular instruction was again begun. In 1913 the Baltimore Law School, which had previously absorbed the Baltimore University School of Law, was merged into the Law School of the University of Maryland. The graduates of the Law School now number more than two thousand, and included among them are a large proportion of the leaders of the Bench and Bar of the State and many who have attained prominence in the profession elsewhere.

The course of instruction in the Law School is designed to thoroughly equip the student for the practice of his profession when he attains the Bar. The course of study embraces both the theory and practice of law, and aims to give the student a broad view of the origin, development and function of law, together with a thorough practical knowledge of its principles and their application. Analytical study is made of the principles of substantive and procedural law, and a carefully directed practice court enables the student to get an intimate working knowledge of procedure.

The Law School is divided into two divisions: The Day School course, covering a period of three years, and the Evening School course a period of four years. The degree of Bachelor of Laws is conferred upon graduates of each school.

The University of Maryland School for Nurses was established in the year 1889. Since that time it has been an integral part of the University of Maryland Hospital.

The School is non-sectarian, the only religious services being morning prayers.

The University of Maryland Hospital is a general hospital containing about 285 beds. It is equipped to give young women a thorough course of instruction and practice in all phases of nursing, including experience in the operating room.

## **FIVE-YEAR PROGRAM**

In addition to the regular three-year course of training the University offers a combined Academic and Nursing program leading to the degree of Bachelor of Science and a Diploma in Nursing.

The first two years of the course (or pre-hospital period), consisting of 70 semester hours, are spent in the College of Arts and Sciences of the University, during which period the student has an introduction to the general cultural subjects which are considered fundamental in any college training. At least the latter of these two years must be spent in residence at College Park in order that the student may have her share in the social and cultural activities of college life. The last three years are spent in the School of Nursing in Baltimore. In the fifth year of the combined program certain elective courses such as Public Health Nursing, Nursing Education, Practical Sociology, and Education Psychology are arranged.

## **THE ATHLETIC ASSOCIATION**

### **(Dental School)**

In November, 1924, the entire student body of the Dental Department of the University of Maryland met in the 4th Regiment Armory and organized an Athletic Association. This Association was made possible after much hard work by Dr. Zelwis, assisted by Drs. May and McCarthy, and the co-operation of our Dean, Dr. Robinson.

This is the first organization of its kind ever accomplished in the Dental Department. It has for its object the creation of good fellowship among the student body, as well as providing a means whereby the students can participate in those branches of athletics in which they are best suited.

Dr. Zelwis was chosen President of the Athletic Association and continues as such. Dr. May is Vice-President, Dr. McCarthy, Treasurer; Dr. Browning, Graduate Manager; Coach, W. P. Dailey.

A schedule of twelve games was played during the winter. Among the colleges to be played next season are Seton Hall, Villa Nova, Western Maryland, St. John's, and Blue Ridge.

Like last year, a big track and field meet, intercollegiate and interscholastic, will be held at the Stadium. Washington College won the meet this year.

## **CASHING CHECKS**

Checks may be cashed at Cashier's Office, in the Medical Building. Hours: 9 A.M. to 1 P.M., 3 P.M. to 5 P.M.

## **COUNCIL OF CLASS PRESIDENTS**

This student organization is composed of the Presidents of each of the regular classes in the six schools located in Baltimore. It is the one group that represents the entire student body.

The council is organized each fall after the classes have elected their officers. Meetings are held regularly. All matters of interest and concern to the student body are considered by the council.

The importance and value of the organization has been recognized by the committee of Deans, and in accordance with a recommendation of the Deans the council supervises the publication of the "Terra Mariae." The council has played a leading part in fostering dances, athletic mass-meetings, and engendering a virile university spirit.

## **THE MUSICAL CLUB**

Director—Dr. Roy P. May

The Musical Club, which includes the Glee Club, Orchestra, and Mandolin Club, was organized three years ago by its present director, Dr. Roy P. May, and is now well established as a regular organization. Last year, the club gave ten concerts and presented many enjoyable programs over the radio.

The club, meeting once a week for rehearsals, gives an excellent opportunity for students to get together for two or three hours in something outside of the school routine, to form closer friendships and to learn music. The organization is open to all students who play instruments, sing, or who are willing to learn to sing.

The club has had a pleasant and successful existence in the past, and is looking forward to greater success this year.

## **Regulation of Student Activities**

The association of students in organized bodies, for the purpose of carrying on voluntary student activities in orderly and productive ways, is recognized and encouraged. All organized student activities, except those which are controlled by a special board or faculty committee, are under the supervision of the Committee on Student Affairs, subject to the approval of the President. Such organizations are formed only with the consent of the Committee on Student Affairs and the approval of the President. Without such consent and approval no student organization which in any way represents the University before the public, or which purports to be a University organization or organization of University students, may use the name of the University in connection with its own name, or in connection with its members as students.

## **Eligibility to Represent the University**

Only students in good standing are eligible to represent the University in extracurricular contests. No student while on probation may represent the University in such events as athletic contests, glee club concerts, dramatic performances and debates.

## **Discipline**

In the government of the University, the President and faculty rely chiefly upon the sense of responsibility of the students. The student who pursues his studies diligently, attends classes regularly, lives honorably, and maintains good behavior meets this re-

sponsibility. In the interest of the general welfare of the University, those who fail to maintain these standards are eliminated. Students are under the direct supervision of the University only when on the campus, but they are responsible to the University for their conduct wherever they may be.

### **Student Government**

The General Students' Assembly consists of all the students and is the instrument for student government. It operates under a constitution. Its officers are a President, Vice-President and Secretary and an Executive Council representative of the several college classes.

The Students' Assembly meets every second Wednesday at 11:20 o'clock in the Auditorium for the transaction of business which concerns the whole student body. On alternate Wednesdays a program is arranged by the officers with the aid of the Department of Public Speaking. The Students' Executive Council, with the aid of the Committee on Student Affairs, which acts as an advisory board to the Council, performs the executive duties incident to managing student affairs.

(The constitution is undergoing revision and is not available for publication in this handbook.)

### **Women Students' Government Association**

Women Students' Government Association is an organization comprising all the women students, for the management of all affairs concerning the women students exclusively. It operates under a constitution. Its officers are the same as those of the General Students' Assembly. Its Executive Council has the advisory co-operation of the Dean of Women.

## FRESHMAN PROCEDURE

The registration of freshmen will take place Friday, September 17, beginning at 9 A.M. All freshmen are expected to register on this date. Monday, September 20, and Tuesday, September 21, are reserved for registering students of the three upper classes, and freshmen will not be registered on those days.

Dormitories will be ready for occupancy by freshmen Thursday, September 16, and the dining hall will be ready to serve supper to freshmen Thursday evening.

A special freshman program is planned covering the time between registration day (September 17) and the beginning of the instruction schedule (Wednesday, September 22), the object of which is to complete organization of freshmen so that they may begin the regular work promptly and effectively on Wednesday, the 22nd, and to familiarize them with their new surroundings. This program includes classification of all freshman students, medical examinations beginning on Friday, September 17; psychological examinations, Monday A.M., September 20th; instruction in regard to the departmental and campus facilities and advisory conferences conducted by the faculties of the several colleges for the students registered in those colleges. On Friday evening the President and faculties will receive the students in the Gymnasium; on Saturday evening an entertainment will be provided in the Assembly Hall; on Sunday there will be one religious service.

# THE YOUNG MEN'S CHRISTIAN ASSOCIATION

## Officers

President.....	J. Franklin Witter
Vice-President.....	Raymond Carrington
Secretary.....	Emerson Bishoff
Treasurer.....	Myron Shear
Executive Secretary.....	Harry E. Foulkrod

The Young Men's Christian Association was reorganized in the spring of 1924 to meet the demand felt by many students for a men's organization which would be able to assume the leadership for the religious life of all the students. Programs are being planned and carried out in response to whatever needs arise.

The Discussion Groups this year reached about three hundred students, and the Freshmen Conference at Camp Conoy was a most effectual introduction into college life for forty-five new men. This year the "Y" will bring more speakers of the caliber of J. Stitt Wilson, who was here during the past winter. Deputations into some of the smaller Maryland communities are also being planned. All students are welcome to take part in any phase of the work. The cabinet in charge of the work for this year is as follows:

New Student.....	Frank Terhune
Deputations .....	Stanley Jenkins
Religious Education, No.	Wood Thornton
Social .....	William Lamar
Finance.....	Myron Shear
Conferences.....	Duncan Clark
Publicity.....	Raymond Carrington
Church Relations.....	Emerson Bishoff
Y. W. Co-operation.....	Ross Smith
Editor Handbook.....	Ralph Nestler
Inner Circle .....	Gelston McNeil

The Y. M. C. A. began its activities for the year of 1925-26 with the Freshman Conference at Camp Conoy. This conference was sponsored by the old cabinet members with the purpose of introducing into college life those new students who had evidenced some interest in religious work. The success of the experiment is largely measured by the testimonials of the forty-five Freshmen who sacrificed their last week-end at home to attend the camp. That it was a great help in helping them to readjust themselves properly to the new life into which they were entering is an undeniable fact. This trip will not be possible this year, but the members of the Y. M. C. A. will be ready to aid the new students in every way possible if the latter will only ask them.

Each year the Y. M. C. A. holds a reception for the Freshman class. Every Freshman is invited to attend, and it is important that he be there, for he will meet and become acquainted with the students and faculty of the institution.

Sunday evenings there are discussion groups for the purpose of discussing our way of living here at the University and if possible to better it. The best Christian interpretations are sought. All are invited to attend and give his or her opinion upon the subjects arising there.

During the past year we have had four or five good speakers with us, one of whom was the Hon. J. Stitt Wilson. The Y. M. C. A. in the future will have some of the finest speakers here, and your attendance is greatly desired.

Our "Y" participated in five conferences last year. The first was in Baltimore, at which the subject was Bruce Curry's Bible Class. The next was held at Western Maryland College, where a week-end was spent upon a question of most vital importance to us all, The Relationship Between Men and Women. The third conference took place at Camp Conoy, known also as the Cabinet Retreat, at which plans were made for the coming year. The Sherwood Forest Conference was held for the purpose of training officers and cabinet members for their work. At the last conference, in Baltimore, the questions discussed were Compulsory Military Training and the World Court.

The Y.M.C.A. holds a very good Christmas Party and Entertainment each year. Likewise, the members of both the Y. M. C. A. and the Y. W. C. A. give a pretty and appropriate pageant each spring.

In conclusion, the "Y" extends its greetings of good fellowship to the students of this institution, and invite you to join them in helping one another to lead a better Christian life.

## ACADEMIC REGULATIONS

---

### Registration

1. Students should report to the Dean of the College in which they are registered, where they will receive a course card. New students must present a matriculation card. If this card has not been received by mail, arrangements for its issuance must be made in the Office of the Registrar, prior to reporting to the Dean.

2. The course card, properly made out and approved by the Dean, and a registration card obtained in the Office of the Registrar, will be presented at Window One in the Office of the Registrar and a bill for the semester's expenses will be issued.

3. This bill, together with the course card, will be taken to the Cashier's Office, where fees are paid and where the Cashier certifies upon the course card that payment has been made.

4. The course card is then taken to the Sectioning Committee, Room T-211, Agricultural Building, where section assignments are made.

5. About three hours later the student may obtain class cards in the Office of the Registrar, Window Two.

6. The student places his name, his college, and the date on the class cards and presents at the first meeting of each class the appropriate class card. Students are not admitted to classes without class cards. Instructors will see that this rule is enforced.

7. Within seven days after the opening of the semester each student must file in the Office of the Registrar a schedule of his classes. A fee of one dollar is imposed for the failure to do this.

8. Students who for adequate reasons are more than ten days late in registering must secure permission for entrance into courses from the instructors in charge of the courses. Such permission, if given, must be indicated on the course card. A fee of \$2.00 is imposed for late registration.

9. Any change of course is made only on written permission from the Dean involved and is subject to a fee of one dollar after the first week of the semester. After securing such permission from the Dean, the student must present the same to the Registrar at once, who, in turn, issues the student a class card for the course he is entering and withdrawal card is sent to the instructor in charge of the course from which the student is withdrawing. Unless this is done, no credit will be given for the new course, and a failure will be recorded for the course dropped. In general, withdrawals from courses other than elective, will not be granted after the first six weeks of the course.

10. A student who desires to transfer from one college to another must petition the Dean of the college from which he wishes to withdraw on the regular form obtained from the Registrar. The transfer is effected when the blank properly approved is filed in the Office of the Registrar.

## Examinations and Marks

11. Examinations at the end of each semester complete the studies pursued to that point.

12. The following grade symbols are used:

A. B, C, and D—Passing.

E—Condition.

F—Failure.

I—Incomplete.

13. Grade "A" denotes superior scholarship; grade "B" good scholarship; grade "C" fair scholarship; and grade "D" poor, but passing scholarship.

14. A student who receives the grades of "D" in more than one-fourth of the credits required for graduation must take additional courses or repeat courses until he has the required number of credits for a degree, three-fourths of which carry a grade above "D".

15. A student with a mark of "E" is conditioned. The grade "E" indicates that though the student has not failed in a course, he has not presented sufficient evidence to pass; in the opinion of the instructor his record in the course has been sufficiently good to justify the presumption that he may secure a passing grade by a re-examination or by additional work without repeating the course. The grade "E" cannot be raised to a higher grade than "D".

16. A student with the mark of "F" has failed in the course. In case of failure in a required course a student must repeat the course. He is required to enroll in that subject again the first time it is offered, if possible.

17. In case a condition of failure is incurred in an elective subject the student may be permitted to substitute only upon recommendation of the head of the department in which the student is majoring and approval of the student's Dean.

18. The mark of "I" (Incomplete) is given only to those students who have a proper excuse for not completing all the requirements of a course. The mark of "I" is not used to signify work of inferior quality. In cases where this grade is given the student must complete the work assigned by the instructor by the end of the first semester in which that subject is again offered, or the mark becomes "F".

19. Work of grade "D", or of any passing grade, cannot be raised to a higher grade except by repeating the course. A student who repeats a course for which he has received credit for work done at the University or elsewhere, must meet all the requirements of the course, including regular attendance, laboratory work and examinations. His final grade will be substituted for the grade already recorded, but he will not receive any additional credit for the course.

20. A student must arrange with his instructors at the beginning of a semester for the removal of conditions received in the previous semester. A fee of \$1.00 will be charged for each regular condition examination. No instructor will give a condition examination until a student presents a receipt showing the fee has been paid. Following each condition examination the instructor will report the results to the Registrar.

21. A condition not removed within the succeeding semester becomes a failure.

22. A student transferring to another college will consult with his new Dean regarding the adjustment of his record. A record of this adjustment must be filed in the Registrar's Office.

### **Absences**

23. A student is expected to attend punctually each class and laboratory exercise in each course.

24. In case of extended illness which prevents the attendance of a student at his classes he should promptly notify his Dean.

25. In case of absence immediately before or after a vacation a student will be penalized by the payment of a special fee of three dollars for each course cut. Instructors will report such absences immediately to the office of the Registrar.

### **Probations and Delinquencies**

26. If a student receives a mark of failure (F) in fifty per cent. or more of the semester hours for which he is registered he is automatically dropped from the rolls of the University.

27. A student who does not make a passing mark in at least eight hours of work in which he is enrolled for a given semester, may not continue for the next semester without the permission of his Dean. Where such permission is given the student is on probation, and remains on probation until his deficiencies are removed. A notice of his probationary status will be mailed to the student's parent or guardian.

28. A student while on probation shall not represent the University in any extracurricular activity such as: participation in athletic contests, the Glee Club, dramatics, debating teams, etc.

29. While on probation a student is required to report weekly to his Dean or faculty advisor with regard to his probationary status.

30. The Dean shall recommend to the President the withdrawal of any student who, in the opinion of his college faculty is deemed undesirable, or who continues to do unsatisfactory work.

31. Any student who has been dropped from the University or has withdrawn in order to avoid being dropped, and who is subsequently re-admitted, is not eligible to represent the University on any team, club, or association, until he has been in the University for a period of one semester from the date of his return and has satisfied the regular conditions of eligibility.

### **Withdrawal from the University**

32. A student who desires to withdraw from the University must obtain the permission of his Dean on the regular form obtained from the Registrar and must have filled out a clearance slip. After these forms have been filled out they must be filed in the Office of the Registrar. A student who withdraws without following this procedure forfeits all claims for reimbursements and is not entitled to a statement of honorable dismissal.

## TRADITIONS

In the realization that the incoming freshmen do not understand the traditions established by previous classes, it is the purpose of these rules to assist the freshmen in finding his place among the students, to instruct him in the spirit of the student body, and to teach him a fundamental lesson—discipline.

Freshmen are required to strictly abide by the following rules, which will be enforced by the student body through the sophomore class:

### Rules

1. Freshmen must wear rat caps and name tags at all times while on the campus.

2. Freshmen must wear black "fore-in-hand" ties, cannot wear knickers, smoke on the campus, or keep hands in pockets.

4. Freshmen must not cut across the campus, and must use only cinder and cement paths.

5. Freshmen must enter and leave the Agricultural Building by basement doors, must not loiter around the front of buildings, nor sit on stone wall along the Washington-Baltimore Boulevard.

6. Freshmen must speak cheerfully to all upper-classmen, and run all errands assigned them.

7. Freshmen must work on the athletic field when requested.

8. Freshmen must attend all meetings of the Assembly (occupying front rows) and all cheer-practices, and must learn all college yells and songs.

9. Freshmen must attend all games in a compact cheering section (no dates with girls at games).

10. Freshmen must work in the "Diamondback" Office when requested.

11. Freshmen must at all times carry an ample supply of matches and toothpicks.

12. Freshmen must conduct themselves in a gentlemanlike manner at all times on and around the campus.

### **Dining Hall Courtesies**

1. Freshmen must line up in twos in rear of dining hall.

2. Freshmen must not sit at the heads of the tables unless authorized to do so by an upper-classman.

3. Freshmen must fold their arms during announcements.

Dean of Women.

## GREETINGS FROM DEAN OF WOMEN

To those of you who have returned to carry on work already begun and to those new students, coming here for the first time, greetings and a hearty and cordial welcome. 'Friendship, sympathy and understanding await you here and the ever-present, ever-intangible Maryland spirit is waiting to receive you and waiting in turn for you to make it your own. This spirit instructs you to do something worth while during your college career, in college life as well as academically. For, the one who lives most fully during her four years in college takes part in the various activities on the campus. However, you must have a sense of values and choose wisely from the great number of organizations. Do not rush headlong into too many. Do a few things well rather than many in a haphazard fashion. We offer to you our ideals of Maryland, our traditions and customs, and ask you to help us to perpetuate them.

Sincerely yours,

ADELE H. STAMP,

Dean of Women.

The Y. W. C. A. was organized in 1924 for the purpose of meeting the need for an all-campus religious organization among the women students which would correlate and co-ordinate all the religious activities for the women of the University. In co-operation with the Y. M. C. A., the Y. W. C. A. assumes a major responsibility for the religious activities of the campus. This is a difficult task, but one that is so worthwhile that the Y. W. C. A. calls upon every girl upon the campus who wishes to help others build high Christian character to join with them in carrying out their program.

The religious program for this year will center in the Sunday Evening Vesper Service under the joint auspices of the Y. M. C. A. and Y. W. C. A. The discussions are held at 6:30 P.M. every Sunday in the University Auditorium. Mrs. H. J. Patterson will also conduct a Bible Study Group every Sunday at 10:00 A.M. in the College Park Church, which all students are invited to attend.

The W. A. A., since its organization in the fall of 1924, has satisfied a long-felt need for an organization for the promotion of organized athletics among the women students.

The Association has been very successful during its two years on the campus and has a very bright future outlook. During the past year it put across successfully both fall and spring tennis tournaments and an inter-class basketball series, and established interest in track practice. The year was closed with the second annual banquet of the Association, which was arranged for by a special committee and had a large attendance. At this banquet suitable awards were formally presented by the President of the University to the girls and teams who had won them during the year.

No girl may play on a team or take other active part in any sport without first joining the W. A. A. This rule is for the purpose of keeping up interest in the organization and for assuring it of having sufficient funds to properly carry on its work.

## STUDENT PUBLICATIONS

Each undergraduate student of the University of Maryland is expected to pay seven dollars (\$7.00) for his student publications. Two dollars of this amount is for a subscription to the Diamondback, published weekly, (on Tuesday). The remaining five dollars (\$5.00) is for The Reveille, the year book for College Park Students, issued about June 1st. The entire seven dollars is due on the day of registration and should be paid to the Business Manager of the Reveille.

The major officers of the two publications are as follows:

### Reveille

Editor-in-Chief.....	D. C. Fahey, Jr.
Girls' Editor.....	Ruth Williams
Business Manager.....	Reese L. Sewell

### Diamondback

Editor-in-Chief.....	Milford Sprecher
Editor.....	Raymond Carrington
Business Manager.....	Franklin M. Haller

Faculty Advisor for both Publications,  
Wm. H. Hottel

Those who are interested in publications should get in touch with one of the members of the staff on which he would like to work. Freshmen and Sophomores are especially urged to become affiliated with one of the publications. A new ruling requires that only students who have had at least one year's experience on a publication are eligible for nomination to a major office on either publication.

## MUSICAL ORGANIZATIONS

Four musical organizations are maintained in connection with the Department of Music.

**Chorus.** Membership in the Chorus is open to all students, and to persons residing in the community. Oratorios and standard part-songs are studied. Rehearsals are held weekly. The Chorus presents an annual festival of music in May.

**Glee Club.** A Glee Club, of limited membership, is recruited from the best vocal talent among the men of the University. Admission is gained through tests or "tryouts," conducted at the beginning of the school year. The club holds two rehearsals a week. Public concerts are given.

**Opera Club.** The "Maryland Opera Club" was established in 1923 and gave its first performance in the spring of 1924. Its object is to foster and promote music in connection with dramatic art, and to develop and direct musical talent of students in the University. One or more public performances will be given each year.

**Military Band.** This organization, of limited membership, is a part of the military organization of the University, and is subject to the restrictions and discipline of the Department of Military Science and Tactics, but the direction of its work is under the Department of Music.

### ALMA MATER

(Maryland, My Maryland)

Thy sons and daughters throng thy door,  
Maryland! My Maryland!

They come from mountain, farm and shore,  
Maryland, oh, Maryland!

Their hearts and hopes they bring to thee,  
And place them in thy custody,

Proud hearts that pledge their love for  
thee:—

Maryland University!

Go forth, brave youth, throughout the  
State,

Maryland! My Maryland!

And by your actions, show her great,  
Maryland, our Maryland!

Thy Alma Mater's name and fame,

Oh, keep alive her holy flame,

Until all hearts as one exclaim:

Maryland! My Maryland!

Cheer, hree times cheer, and one cheer  
more

For Maryland, Dear Maryland!

Send forth that cry from hill to shore—

Maryland University!

Fair Mother of our brightest dreams,

Blest giver of life's precious things,

To thee each heart its service brings:—

Maryland! My Maryland!

## UNIVERSITY OF MARYLAND HYMN

(Tune: Flow Gently, Sweet Afton)

### I

On the hills of fair Maryland thou dost  
proudly stand,  
The lamp of true wisdom alight in thy  
hand  
With calm, brooding mother-eyes tender  
and clear,  
Thou gazest upon us, thy children, so dear.  
Thy sweet rolling hills in tenderest green,  
Thy white lofty pillars, the tall trees be-  
tween,  
Serene over all, the blue heavens smile  
there  
On Maryland, our mother, our mother, so  
dear.

### II

Thy sons thou hast given, how nobly they  
stand!  
Their voice and their deeds loud resound  
thru the land,  
Thy walls have re-echoed to valiant tones,  
And honor and beauty were laid with thy  
stones.  
Our loved Alma Mater, our own mother  
dear,  
When foes shall assail thee, thou never  
shalt fear,  
Thy sons shall defend thee and cause thee  
to stand,  
O bow not thy proud head, O fair Mary-  
land!

—Anne Stone Stewart.

## Maryland

(Tune: Madelon)

In the very heart of Maryland,  
In the heart of every Maryland man,  
There's a spirit so endearing  
It will win your heart and hand.  
For she doth hold the sway,  
She will win the day,  
And her glorious men will ever win the  
fray.

Then it's Hurrah! Hurrah! for Mary-  
land.  
Then it's Hurrah! Hurrah for U. of M.  
With her banners ever streaming high,  
She will always win or die.  
Then we'll gather 'round Alumni,  
And "Fight" will be our one reply,  
For we love, we love old Maryland,  
Hurrah! Hurrah! Hurrah!

### Who Owns This Team

Who owns this team?  
Who owns this team?  
Who owns this team? the people say.  
Why, we own this team,  
Sure, we own this team.  
M-A-R-Y-L-A-N-D—Hurrah!

Who'll win this game?  
Who'll win this game?  
Who'll win this game? the people say.  
Why, we'll win this game,  
Sure, we'll win this game.  
M-A-R-Y-L-A-N-D—Hurrah!

Who owns this town?  
Who owns this town?  
Who owns this town? the people say.  
Why, we own this town,  
Sure, we own this town.  
M-A-R-Y-L-A-N-D—Hurrah!

## **U. of M.**

(Tune: Caisson Song)

U. of M., U. of M.,  
Keep the ball away from them,  
Keep that pigskin a-rolling along!  
Up the field, down the field,  
Not an inch of ground we'll yield,  
Keep that pigskin a-rolling along!  
Then it's Whiff! Wham! Whack!  
Hear that Mar'land quarterback  
Shout out his signals loud and strong!  
Where'er you go, you will always know  
That that pigskin is rolling along.  
(Shouted) Maryland! Maryland!  
Keep that pigskin a-rolling along!

## **Sons of Maryland**

(Tune: Sons of America)

Sons of the Gold,  
Sons of the Black,  
Fight! No spirit lack.  
Your Alma Mater  
Needs you today  
To help her win the fray.  
Shoulder to shoulder,  
Back to back,  
We'll fight together  
For the Gold and Black.  
Fair Sons and Daughters  
Of Maryland,  
Upon you all vict'ries stand.

## **Chorus**

Sons of Old Maryland,  
Old Maryland needs you!  
Stand by your colors, boys,  
And to them e'er be true!  
Fight for old Maryland,  
Old Liners! Stand,  
Defenders of the Black and Gold  
Thorughout this land.  
Team! Team! Team!
